Welcome

Types of Dance Offered

BALLET - The foundation for all forms of dance done to Classical music. Both Cecchetti and Royal Academy methods are used.

JAZZ - New York and Los Angeles style of jazz dance to adapt to the latest in modern music.

TAP - Rhythms and sounds made with the feet. Students are equipped with proper leather soled and steel taps attached to the soles.

LYRICAL - Interpretation of lyrics in music through controlled and expressive modern and jazz techniques.

GYMNASTICS - Mats, low beams, and trampolines are used to aid floor gymnastics. All floor exercise work is taught to enable a student to further their cheerleading or dance training. (Large equipment is not used at our studio.) Floor work is emphasized to give students confidence in balance, strength, flexibility, and stamina.

HIP HOP - Street style of dance incorporating jazz and rhythmic movements.

The Professional Staff at Carolina Dance Capital offers your children quality dance and gymnastic instruction in a nurturing environment. With your children in mind, we maintain a

pleasant atmosphere as well as a place to develop high self-esteem. Each child plays a special role in our classes. We are particular in setting a standard for appropriate teacher/student ratios to insure students receive the individualized attention they deserve.

Allyson Weir (left) and Nina Schulte (right), Artistic Co-Directors of Carolina Dance Capital, invite you and your family to join in celebrating the miracle of our children through dance and gymnastics. Our staff has over 200 years combined experience and is very qualified, dedicated, and

honored to be in a position to share their love of dance and gymnastics with your children. We take pride in the opportunity to train students of any age and level. Our purpose is to take each student as far as we can in their abilities and to go a step further by instilling self worth.
